HEALTHCARE MADE EASY

## 3 Steps to Keeping your Company in COVID-19 Compliance

01

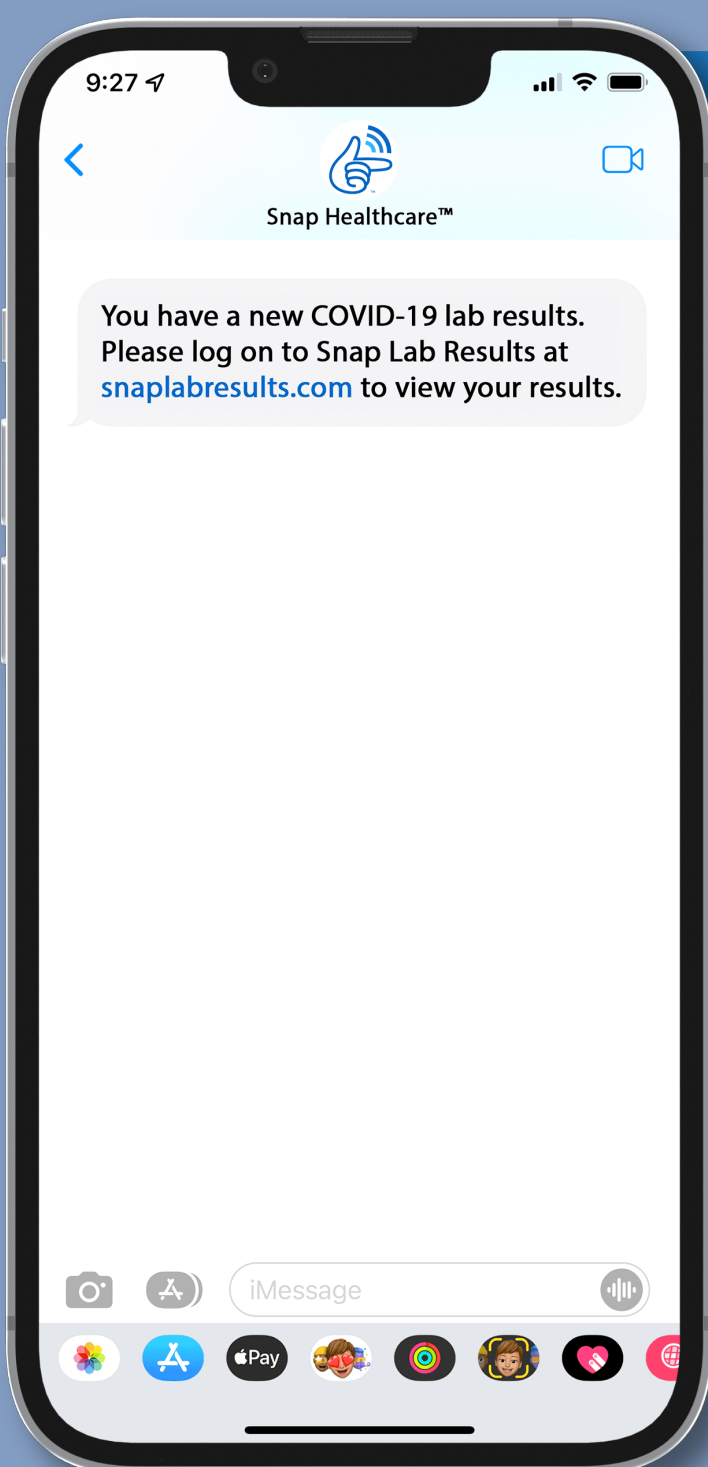

Utilize our easy-to-read COVID-19 compliance dashboards to help you track employee compliance, testing results, and quickly access compliance information.

02

Have employees quickly upload their vaccination cards or monitor their test results via the Snap Healthcare™ app for better compliance tracking.

03

Let Snap Healthcare™ come to your business, school, or government agency location to conduct and document your COVID-19 diagnostic tests.

## AUTOMATED NOTIFICATIONS

Incorporating automated notifications is crucial for any employer who wants to ensure the safety of their employees and protect their business from a potential COVID-19 outbreak.

The Snap Healthcare™ system automatically sends COVID-19 test results and test reminder notifications via text or email to employees and employers.

We know the logistical requirements your organization needs in order to track and manage your COVID-19 vaccines & testing.
